Dear Commissioner Graves,

At your request, I am writing to provide you with the names of APAB's selection to fill seats on the Coordinating Responsible Authority, Inc. Board of Directors. APAB's selections were affirmed at our Saturday, July 19, 2003 meeting.

Resolution 03-R-0766 stipulates that, of the two APAB designees, one must be a resident of an Empowerment Zone census tract and Ms. M.M. (Peggy) Harper was selected to fill that seat. The other designee must reside in a Renewal Community census tract and Mr. Sule' Carpenter was selected to fill that seat.

The resume's, and contact information of the appointees were sent to you and the additional recipients of this letter via a separate e-mail.

I join with the APAB body-at-large knowing that we have selected two knowledgeable persons who are committed to representing the citizens of Atlanta in the Renewal Communities initiative as it continues.

Cordially,

Bob Schreiber
